

Linganore HS Band Spring Trip 2018
INTENTION FORM
May 23, 2017

The Linganore Band is planning a trip to Orlando in the spring of 2018. Our tentative plan is to fly from a Baltimore/Washington area airport to Orlando on the evening of Wednesday, March 14, 2018 and return on Monday, March 19. Students will miss three days of school. During our stay, students will visit all four Disney parks and march in the parade at the Magic Kingdom. Lodging will be within the Disney property. The approximate cost of the trip will be \$1,150.00 per person and will include all transportation, lodging, tickets and meals. Please indicate your intention to participate below. A full commitment to this trip will come in late summer; this intention form is simply for planning purposes. All students are asked to complete a form, regardless of whether or not they plan to travel.

The LHS band trips are completely optional, and are available to band students who enroll for a fall band/percussion/guard class, a spring band/percussion/jazz ensemble class, or both.

If there is more than one student in the family that is in the band program, please complete a form for each student.

Please check one:

Yes, I plan to participate in the Spring 2018 Band Trip to Walt Disney World. I understand that the trip cost is in addition to my share of the band's operating expenses and uniform fees.

No, I do not plan to participate in the Spring 2018 Band Trip. I understand that if I change my mind later, I can only go if another spot becomes available. I also understand that I am still expected to raise my share of the band's operating expenses and uniform fees.
