## Financial Commitment 2017/2018

Students are responsible for the required (estimated) operating expenses as follows:

- 🎵 **Operating Costs (Quota)** based on recent years: \$450 for returning students, \$400 for first year students.
- 🎵 **Uniform Fee** is \$90 - \$190 (based on personal items needed: shoes, gloves, t-shirt, and concert shirt...)
- 🎵 **Winter Guard and Spring Trip** are optional activities that will have their own commitment forms.

Contributions toward your portion of Operating Expenses (quota) can be raised through fundraising or by direct contributions. Only after all Operating Expenses and any other obligations have been met will fundraising amounts be applied toward the **optional** Spring Trip and Winter Guard fees. Students who still owe money at the end of the school year may have their grades withheld until the account is settled, this includes diplomas for seniors.

If meeting your share of the Operating Costs (quota) presents a financial burden, please contact Mr. Lloyd directly to discuss options. We will do our best to provide assistance to families in need.

I understand that I am responsible for my students' portion of the Operating Costs and Uniform Fees as stated above.

## Student Statement Signup Form

### 2017/2018

The e-mail list for Student Statements is maintained by the Band Booster Treasurer and is not affiliated with the Yahoo Group e-mail list. Please add **lhsbandtreasurer2015@yahoo.com** to your email address book to ensure you receive your student statements.

**If you do not return this form you will not receive student statements.**

**Note:** Please submit this information even if you have received previous student statements as the mailing list is purged every year.

*Please write legibly!*

**Statements are issued several times each school year. As long as you have a student that has taken part in the Band/Music/Guard Program, and you have supplied us with your information, a statement will be available for you. This includes students that may not take part all four years of High School. If your current student graduates and you will have another entering the High School Band Program in August of the same calendar year or the following year, the statement will remain in effect for that student.**

**A Student statement is used only for the purpose of tracking your student's progress in reaching their percentage of the entire cost necessary to have and maintain the Music Program of which they are a member. All funds are the property of Linganore High School Band Boosters, Inc. - a 501(c)3 Non-Profit Organization.**
