Detach and Return

**Yes**, I am going on the New York City/St. Patrick's Day Parade trip and commit to fundraising and/or paying my combined cost (operating budget and trip expenses):

I understand my combined cost is as follows (operating cost plus trip cost):

- \$872 (returning students) \*Half, \$436.00, is due by December 1, 2016
- \$809 (first year band students) \*Half, \$404.50, is due by December 1, 2016
- \$550 (second semester only students) \*Half, \$275.00, is due by December 1, 2016

I do not have the required half cost listed above at this time, so I have enclosed a \$100.00 non-refundable fee that will be applied to the student's statement.

**No**, I do not plan to go on the trip, but understand that I am still responsible for the operating budget which is \$422 for upper classmen, \$359 for first year students, and \$100 for second semester only students.
